

2010 Property Tax Calendar

Christopher B. McLaughlin

This calendar lists deadlines for the 2010–11 tax year established by the Machinery Act. Duties for which no specific deadline is prescribed by law are not included.

G.S. 105-395.1 provides that when the last day for doing an act required or permitted by the Machinery Act falls on a Saturday, Sunday, or public holiday, the act is considered to be done within the prescribed time limit if it is done on the next business day. Pursuant to these provisions, the calendar transfers to the next business day deadlines that affect the rights or tax liabilities of taxpayers. Deadlines that require tax officials to take action by a specific date are generally transferred to the last business day before the deadline. Holiday dates shown in the calendar are those set by the State Personnel Commission for state government offices [*North Carolina Office of State Personnel, North Carolina State Government—Holiday Schedules* www.osp.state.nc.us/holsched.htm#10 (last visited December 10, 2009)]. Counties and municipalities observing other holidays may need to adjust the calendar accordingly.

Except for the deadline for paying taxes at par, G.S. 105-395.1 does not apply to the deadlines established in Article 22 of the Machinery Act with respect to taxation of classified motor vehicles [G.S. 105-330.8]. Therefore when a duty to be performed in connection with billing and collecting taxes on classified vehicles (other than the deadline for payment at par) falls on a holiday, the deadline is transferred to the last business day preceding the statutory date.

Abstracts, other listing forms, exemption and exclusion applications, and tax payments submitted by mail are deemed received as of the postmark date. To qualify, the postmark must be dated, legible, and affixed by the United States Postal Service [G.S. 105-311(b), -360(d)].
